

# Scholl Fungal Nail Treatment

## Category

Footcare

## Manufacturer

RB UK

## Pack size

3.8ml + 5 files

## RRP

£19.99

## Legal Status

MD

## Uses

For the treatment of mild fungal nail.

## Format and Ingredients

File and clear nail liquid

## Dosage

Week 1: File the surface of the nail once a week, disposing of the file after use. Apply the nail liquid to the infected nail daily. Repeat for weeks 2, 3 and 4. Week 5 onwards apply the nail liquid to the infected nail once a week for 9-12 months until the discolouration has grown out.
